Sulpicio De Guzman Jr. Club Chairman/Co-Head Brothers in Golf (BIG) Club	9/11/2022 1:30 PM - 2:00 PM PST	Daniel De Guzman	The golf club holds monthly tournaments with 30-50 players. They are looking for something to automate calculating the season standings/points. Players are not able to see their season stats such as past scores or average placement. BIG would also like somewhere where players could check-in their availability for future tournaments.
Arlene Ferrolino Piano Teacher Piano Studio of Arlene Ferrolino	9/7/2022 4:15 PM - 4:35 PM PST	Daniel De Guzman	Mrs. Ferrolino was unhappy with the current software that she uses for billing students because it is not as flexible as she would like. She also has a website that only lists basic contact information and would like that website to serve more than just a biography page. We spoke about potentially creating a website that would handle the billing and scheduling for her, and also allow students to have their own account for reminders on what to practice.

Bernadette Junio Tax and Financial Consultant Investment Marketing Solutions Inc.	9/11/2022 7:20 PM - 7:40 PM PST	Daniel De Guzman	Bernadette handles taxes, financial services, and real estate loans. She is looking for a more personalized Customer Relationship Management (CRM). Her current CRM, HubSpot, is not as specific as she wants it to be. She would like some software that performs the basic functions of a CRM, but personalized to her likings.
Suzanne Kafando Human Resources Manager Seme City	9/10/2022 10:10 AM - 10:30 AM	Camelia Sama	Suzanne is the human resources manager of a company that employs over 500 workers. She is looking for an IT tool that will help her manage the contracts, salaries, leaves and personal information of these employees. Currently she uses Monday, which is a web and mobile project management application, but finds that the tool is not flexible and does not fit her needs.
Mounir Mohamed Business-man Car Sales Organization.	9/10/2022 11:30 AM - 11:50 AM	Camelia Sama	Mounir is an entrepreneur who affects his activity in the sale of cars. He buys cars in the United States that he resells in Africa and must therefore transport his goods by sea. He has no control over the location of his cars in real time and it happens that sometimes cars are lost. He is obliged to contact individually all the points of passage of his goods to verify the localization and must count on the good faith of the people. He would like to have a software that allows him to locate in real time his goods, to count all the expenses made on each of his cars before and after the sale as well as his finances.

Pamela Lewis Senior Director Multicultural Affairs & Inclusion (Women's Gender & Equity Center (WGEC))	9/12/22 4-5:20pm	Tori McDonald	A lot of Pamela's organizations are having trouble establishing their presence on campus. Wanting an app that clearly displays information and students can reach out for help or questions about the organization.
Shelly-Ann Collins Licensed Psychologist Counseling & Psychological Services (CAPS)	9/12/22 1-1:30pm	Tori McDonald	Shelly mentioned that CAPS needs a scheduling app or website for students with options to cancel/reschedule appointments, view history, and choose a therapist to talk to. Also, it should serve as an information center to inform about other related support resources are

Terri Armstrong Interim Director Office of Multicultural Affairs (Black Resource Center)	9/10/2022 2-2:50pm	Tori McDonald	The Black Resource Center is in need of a system that helps connect and reach out to Black students across different organizations and the general student population. They want it to serve as a focal point for students to view and RSVP for events, and find different kinds of resources in one place. She'd also like there to be a registration aspect to allow members to give feedback and make posts/comments discussion topics.
Adam Bhuiyan Regent Theta Tau - Professional Engineering Organization	9/10/2022 11:15 AM - 12:00 PM PST	Dorothy Nguyen	Adam's Theta Tau website has been down for a while & would like it to be revamped. Especially needs member login in order to pay dues, view points, and events calendar. Also, for new members, he would like a sign in.
Yuliana Matta Civic Engagement Coordinator OCCCO	9/12/2022 10:00 AM - 10:30 AM PST	Dorothy Nguyen	OCCCO needs upgraded app to track canvassers while they go around & have a log for the info they collect. Their old one is not trackable & its faulty in its functionality.

Final Decision: BIG Golf Website

Growing golf club that is needing a website to attract more players.

Our client was very approachable and available at most times. The client understood our beginning level of web development and wanted to see what we would make.

Originally we were going to go with WGEC Connect, but an emergency with the client made us move to the BIG Golf Club.
